overall, we're still on track for 300 million to 400 million in costs through fiscal 2010.

no sense in ripping up some of these 100 year old vines just to space them closer together.

it’s here that they can connect with their emotions while revisiting trauma and not lose it, so to speak

in the frequency content of the chirp and the echo allow the bat to estimate the size of the object see

they don’t believe in the hereafter, but in the here and now
