most common complications of prostatectomy are erectile dysfunction and urinary incontinence.

monasteries, miraculously perched on the side of a sheer cliff 900m above the floor of Paro Valley, where

"It's not that different for athletes, you don't realise the damage you're doing until it's too late.

don't tell them they're getting, like, a genetically-revived velociraptor, or Chris Pratt, or anything like that.)
